

Noelle K. McCoy is the Program Manager at Leadership Niagara. With a background in Business Administration, Noelle has leveraged her knowledge and experience to influence the success of local non-profit organizations. She has experience working with management consulting agencies as a liaison in the development of local leaders.

Noelle served as a Leadership Executive at the United Way of Buffalo Erie County in development and fundraising. Noelle has also worked with charities, non-profit organizations, women's organizations, and political campaigns consistently facilitating community outreach and impactful campaign strategies.

Noelle has a passion for the resurgence of local industries, small businesses and communities in WNY. Firmly believing that investing in our local leaders through inclusive opportunities, education, development and civic engagement, Niagara county can be elevated to unprecedented prosperity and innovation.
